Feast your eyes on the stunning Mont Blanc views from this chalet near great skiing and hiking

Chalet Petille...

The amazing views of Mont Blanc will take your breath away at this beautiful, traditionally-styled chalet for eight in the pretty village of Combloux, nicknamed the pearl of Mont Blanc. One of two chalets set behind electronic gates just 2.5km from the village centre, it's a great choice for a couple of families, or perhaps a group of friends.

This four-bedroom, four-bathroom chalet boasts a balcony and terrace, an outdoor hot tub, a barbecue area, hamam and a large games room with pool table.

You'll find a small supermarket, butcher, baker, pharmacy, bars and restaurants in Combloux, and there are more facilities in nearby Sallanches, Megève and St Gervais. A lot of the surrounding villages have good markets, where you can buy fresh produce and local specialities.

Whether you visit in summer or in winter, there is so much to discover within a short drive of this great ski chalet.
